

Capital RC&D Update
4/19/22

**1. National GLC agreements -
Deliverables**

- The social media chat room is well underway - deliverables included the chat room and FaceBook boosting to complement the other activities. Target audience low-resource farmers. Cheryl can update.

Next steps needed:

1. Participation from the GLC board on the chat room
2. Outreach to target audiences
3. Review of numbers of visits from FaceBook and other media

- Attendance at the NGLC conference - Attendance from seven members at conference. All supplied their matching expenses.

Next steps needed:

1. During summer pasture walk, conference attendees will be asked to identify one they learned during the conference and how it applies to their operation.

- Working Effectively with Livestock Producers - this is a NRCS-audience. Date July 11 - 13.

Next steps needed:

1. Role of GLC TBD.

2. CBF NFWF

Deliverables:

- a. Podcasts – 4 remain to be done
- b. Mini-grant funds were redirected to PASA help with mentorship program

Next steps needed:

1. Topic ideas for podcasts

3. Stroud

Deliverables:

- \$5,000 for mini-grants
- Two videos – one complete (PCS training)

Next Steps needed:

1. Identify topic for second video
2. Spend Mini-grant funds

*Capital RC&D has also funded 42 grazing projects adding 992 acres of rotational grazing, with funds from NFWF and CBF. Many of the projects will help producers become eligible for EQIP.
